

# RoHS Certificate of Compliance

Restriction of the use of certain Hazardous Substances (RoHS)

EC directive 2015/863, **RoHS 3**

Based on information provided by our suppliers we designate the product listed below as **RoHS 3 Compliant** for orders placed on or after the date of this certificate.

**RoHS 3 Compliance** means that:

- Our raw material suppliers have confirmed the compliance status of the relevant products to us.
- We apply rigorous and ongoing processes to confirm and document this.
- We perform material content testing where appropriate.
- We have introduced new part numbers for all new compliant products to identify and segregate compliant stock through our distribution network and our customers' stock management and purchasing systems.

Confirmation of compliance status by our suppliers is either because the products do not contain any of the restricted substances referred to in Article 4 (1) of the RoHS Directive at concentrations in excess of those permitted under the RoHS Directive or because removal of the restricted substances is not technically possible and their existence in the products at levels in excess of these concentrations is allowed as one of the particular applications listed in the Annex to the RoHS Directive. For these purposes, the maximum concentration values of the restricted substances by weight in homogenous materials are:

Cadmium (Cd): < 100 ppm	Polybrominated Diphenyl Ethers (PBDE): < 1000 ppm
Lead (Pb): < 1000 ppm	Bis(2-Ethylhexyl) phthalate (DEHP): < 1000 ppm
Mercury (Hg): < 1000 ppm	Benzyl butyl phthalate (BBP): < 1000 ppm
Hexavalent Chromium: (Cr VI) < 1000 ppm	Dibutyl phthalate (DBP): < 1000 ppm
Polybrominated Biphenyls (PBB): < 1000 ppm	Diisobutyl phthalate (DIBP): < 1000 ppm

We take all reasonable steps to confirm suppliers' statements regarding the absence of the restricted substances and maintains a full audit trail of relevant documentation to support this.

<b>Stock Number &amp; Description</b>	ESD Ground Cord with NO Resistor, PN: GCNR-104MB, 4 mm female to banana plug / alligator clip
<b>Manufacturer</b>	UNITED Static Control Products Inc
<b>Date</b>	5/23/2020
<b>Customer</b>	

I hereby certify the accuracy of this document
